

Website Integration with Erez5

A complete "responsive" website integrated with RentWorks!

(A responsive site is friendly to all devices including mobile phones, tablets, laptops and computers.)

Erez5

For one attractive up-front price, you will receive:

- A site that can pull real-time rates and availability from RentWorks.
- Once a reservation is booked, it will immediately appear in RentWorks.
- A CMS (Content Management System) that you can use to make changes.

Monthly support and transaction fees will include:

- Website Hosting
- Maintenance
- Support

Add-on modules include:

- Prepays via Credit Card Processing (through Vantiv/TriPOS)
- Loyalty Program
- Customization (Erez5 Premium)
