

DOVER, NEW JERSEY AREA HOTELS

Rates Updated 3/27/2016 – but they change constantly!

Please make your reservations well before you arrive, as there are many corporate travelers in the Morris County area. All prices are based on a midweek stay—use several different websites to get the best price. Hotels.com was used to find those below. City is Rockaway/Dover, NJ depending on the hotel listing.

If you belong to the entertainment club or any discount travel clubs, be sure to state that when making reservations as many hotels honor them. If you use Hotwire.com, use our zip code: 07801. This will usually refer you 20 minutes west (Mt. Olive) or east (Parsippany or Morristown) of us.
