# Is Your Parking Operation Ready To Shift Gears?

**ParkMate** catalogs the entire history of all your parking transactions, from check-in to check-out. Now you can control every aspect of your parking services! This easy-to-use software module from Bluebird Auto Rental Systems allows you to monitor tickets issued and money collected for your parking operation, as well as keep track of vehicles and customer files.

By entering information in the following Setup Tables, ParkMate will easily automate your parking operation:

- Lots & Positions
- Stalls & Stall Types
- Payment Types
- Rates
- Charges (such as Taxes, Car Washes, etc.)
- Special Events

Parking tickets and receipts can be printed on plain paper or pre-printed forms.

As you enter parking tickets, ParkMate will track revenue activity by:

- Customers
- Companies
- Employees
- Vendors

In the Customer files, the following data (if input) is retained for each customer:

- Name/Address
- Home/Work Phone Numbers
- Credit Card Number/Expiration Date
- Year/Make/Model of all vehicles parked
- E-mail Address
- Company Name
- Revenue to Date
- Number of Days Parked
- Comments

**You'll be amazed at how easy it is to use!**

***Get ParkMate today and shift your business into high gear!***
