LoanerTrack

Premium Loaner Fleet Management Software

As the only Microsoft Certified Solution Provider in the vehicle rental and dealer loaner industries worldwide, Bluebird Auto Rental Systems offers the #1 management system for loaner fleets. Built on the **RentWorks PowerSuite** platform and designed to run on any Windows system, our **LoanerTrack** product offers the most complete loaner application software available.

Features:

- Two-way Interface to Dealership Management Systems such as:
 - ADP
 - Reynolds & Reynolds
 - Procede
- Ease of Use. As partners with Microsoft, LoanerTrack offers the latest updates and navigation paths for ease of use and training.
- Add rental and insurance charges, miscellaneous charges, optional equipment, and taxes.
- Compatible with any Windows operating system. Any workstation on the network can log into LoanerTrack as a concurrent user, giving you flexibility without the cost of additional licenses.
- Available either in-house or via the Internet.
- Can be customized to meet your Service Management requirements.
- Report Rich. Over 100 reports to give you instant data on your loaner operation, including fleet management, utilization, detailed reservation report and more. Or if you prefer, customize your own reports with Query Results Report Writer.
- Hand-Helds to check in your customers faster.
- Complete Reservation Module included.
- Provides an audit trail on each loaner with the ability to bill to four different entities plus the customer.
- Complete Customer Maintenance and History.
- Check-In, Check-Out and Reservations take only 2 screens.
- You can modify a contract or exchange a vehicle, simply and quickly.
- 24 x 7 access to our Online Call System.

"I've been in the rental car business for over 30 years now and so far Bluebird's systems and software have been the most user friendly. It's the no-nonsense approach to renting and tracking that makes it as easy to teach as it is to learn. Along with their support team it's a winning combination. Thank you Bluebird!"
