

*Introducing*

*Internet Access  
to RentWorks*

# NetRent

**With NetRent, now you can have access to RentWorks via the Internet! For a fraction of the price, you can enjoy ALL the benefits of the Top Rated Software in the auto rental industry without having to install it on your computer!**

- A true Windows application, uses Microsoft's Remote Desktop Connection
- Low Cost! After initial startup fee, for a small charge for each contract opened, you'll receive:
  - Access to the software 24 hours a day, seven days a week
  - System administration by Bluebird technicians, including nightly backups
  - Firewall security
  - Hot-line support, Monday-Friday 8am to 8pm EST, USA
  - The latest releases, enhancements, and bug fixes
- All you need is a PC, a printer and high speed Internet access! For a nominal price, we can provide the hardware for your standalone operation:
  - Pentium PC
  - HP Laser Printer
  - Modem/Router
- Training options include: via telephone, a 3-day class or onsite
- Terms and Conditions:
  - Minimum one year contract
  - Internet Access through a Local Internet Service Provider
  - Fees are debited to your company or personal credit card on a monthly basis
